External Quality Assessment

The Programmes of DicoCARE Scheme consist of different numbers of samples for each yearly subscription, between 6 and 12. Moreover, Participants are supplied with 3-6 Statistical Reports, a Final Yearly Report, a Certificate of Registration and a Certificate of Participation. While subscribing one can have access to the Web Site that allows the interaction with all the activities needed to input and download all data and certificates. E-mail and phone support are guaranteed by DicoCARE Group for troubleshooting and results interpretation.

- CA-ABBCC: *Chemistry* 6 Distrib. - 31 param.
- CA-ABBEMA: *Immuno-Haemat.* 4 Distrib. - 6 param.
- CA-ABBEP: *Hepatitis* 4 Distrib. - 6 param.
- CA-ABBDRU: *Drugs* 4 Distrib. - 5 param.
- CA-ABBFER: *Fertility* 4 Distrib. - 14 param.
- CA-ABBINF: *Infectious Diseases* 4 Distrib. - 8 param.
- CA-ABBMET: *Metabolism* 4 Distrib. - 7 param.
- CA-ABBONC: *Tumor Markers* 4 Distrib. - 11 param.
- CA-ABBPRS: *Prenatal Risk 1° Quarter* 4 Distrib. - 8 param.
- CA-ABBPRI: *Prenatal Risk 2° Quarter* 4 Distrib. - 12 param.
- CA-ABBTIR: *Thyroid Hormones* 4 Distrib. - 9 param.

SCREENING

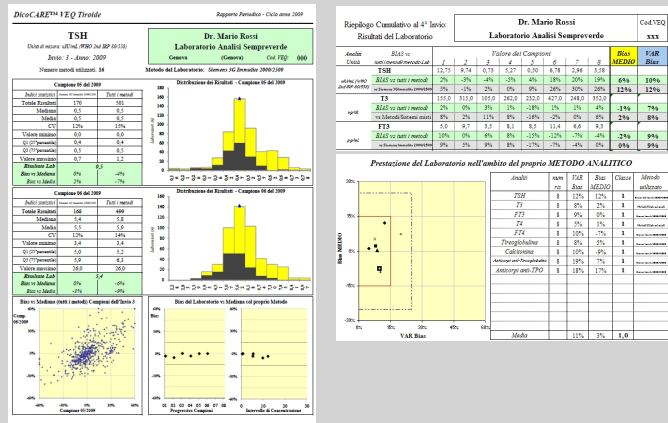

- CA-ABBHPV: *HPV DNA HR* 4 Distrib. - 27 param.
- CA-ABBFOB: *Foecal Occult Blood* 4 Distrib. - 2 param.

STANDARD

- CA-ABB3EM: *Haematology* 3 Distrib. - 13 param.
- CA-ABB3CO: *Coagulation* 3 Distrib. - 6 param.

MOLECULAR BIOLOGY

- CA-ABBHPV: *HPV DNA HR* 4 Distrib. - 27 param.
- CA-ABBHBV: *HBV DNA* 4 Distrib. - 2 param.
- CA-ABBCR: *HCV RNA* 3 Distrib. - 3 param.
- CA-ABBCLD: *C.trachomatis DNA* 3 Distrib. - 1 param.
- CA-ABBND: *N.gonorrhoeae DNA* 3 Distrib. - 1 param.

Easily understandable Statistical Reports, with peer group statistics for homogeneous methods/Instruments, Shewart and Youden charts

A Final Yearly Report summarizes laboratory results giving a class of performance

Special offer Uni-VEQ
4 basic Schemes: Immunoassays, Chemistry, Haematology and Coagulation - **3 Distributions/year**

CARE S.r.l. is the first Italian EQA Provider with ISO 9001 certified Quality System for "Design and manufacturing of in vitro diagnostic reagents, internal quality control (IQC) materials and external quality assessment (EQA) schemes". Participation in CARE S.r.l. EQA Schemes allows you to comply with the requirements for accreditation and certification.
